

*Curriculum Vitae*

**PAUL R. THIERS**

Department of Political Science  
Washington State University Vancouver  
14204 NE Salmon Creek Avenue  
Vancouver, WA 98686-9600  
Tel: (360) 546-9466 Fax: (360) 546-9074  
Email: [pthiers@vancouver.wsu.edu](mailto:pthiers@vancouver.wsu.edu)

**EDUCATION**

Ph.D., Political Science, University of Oregon, 1999.

Dissertation: "Green Food: The Political Economy of Organic Agriculture in China."

Co-Chairs: Richard P. Suttmeier and Richard Kraus,

Exam Fields: Comparative Politics, Public Policy, Environmental Politics

Research Fellow, Center for Integrated Agricultural Development, China Agricultural University, 1997-1998.

Research Topic: "The Use of Market Incentives to Promote Sustainable Agriculture in China."

M.A., Social Science, University of Illinois, Urbana-Champaign, 1982-1984.

Masters Thesis: "The Role of Joint Economic Ventures in China's Economic Development."

Major Concentration: Political Science

Minor: Mandarin Chinese.

**EMPLOYMENT**

Associate Professor of Political Science, Washington State University Vancouver, 1999-present (Promoted from Assistant Professor in 2005).

Responsible for all international affairs courses for the Program in Public Affairs. Courses include Political Economy of the Asia Pacific Region, Comparative Public Policy, Comparative Public Administration, Globalization, and International and Comparative Environmental Policy.

Director, Program in Public Affairs, Washington State University Vancouver. 2007-2009 and 2013-2016.

Direct graduate (MPA) and Undergraduate Degree Programs in public affairs.

Visiting Professor, College of Natural Resources and Environmental Sciences, China Agricultural University, Beijing, 2007.

Conducted research on Rural Development, Sustainable Agriculture and Climate Change Policy in China. Taught graduate and undergraduate courses on environmental policy and food safety politics.

Co-Director, Center for Social and Environmental Justice, Washington State University Vancouver, 2005-2006.

Manage all aspects of the center including budget, staff, event coordination and strategic planning. The center seeks to connect faculty research to community service and education around questions of social inequality and environmental sustainability.

Instructor/TA, Department of Political Science, University of Oregon, 1993-1997.

Taught and assisted in the teaching of courses in comparative politics, international relations and environmental politics.
